AMERICAN ART POST CARD CO. BROOKLINE, MASS.

Mrs Maurice Fleming

Your book arrived safely
some time ago and we have
enjoyed it so much. It ought to
be published, cute, interesting
and so well written. One of your
former school teachers has
it now, but I'll be returning
it soon - We are buried
up to our necks in snow.
Will be looking forward to seeing
you this summer - Love "Mrs John".

The illustrations were decorative.
